## WELCOME FROM THE PRESIDENT

---

Greetings my Brothers and Sisters in Christ,

The Mississippi Baptist Seminary, incorporated in 1943 as the Mississippi Union Theological Seminary, was started to provide religious and secular education to African Americans throughout Mississippi and across the nation. In March 1944, the amended incorporation birthed Mississippi Baptist Seminary, an institution that established a rich history of teaching, training, and instructing both lay and clergy in Christian and Theological studies aimed at supporting the African American church community of Mississippi and surrounding areas.

Mississippi Baptist Seminary is one of the oldest institutions of higher education in Mississippi. Owned by the General Mississippi Baptist State Convention, Inc., we continue to build on Mississippi Baptist's rich legacy by providing a diverse program of study aimed at supporting the Christian Church's ordained and lay leaders.

Our primary focus is serving Christian leaders desiring to grow their theological understanding to support the Christian Church in worship, community service, lay leadership, and pastoral ministry. Mississippi Baptist Seminary brings together students and faculty from varying backgrounds to create a stronger learning community.

I must acknowledge that the Christian Church is experiencing social and theological challenges due to an ever-changing society. However, we stand ready to meet these challenges by equipping our students with a strong curriculum that considers the spiritual and human needs of today's society. We stand in a unique space, having a history and focus on the common beliefs that unite us as fellow believers.

One in Jesus,

Dr. M. Edward Cheeks,  
President, Mississippi Baptist Seminary

# GENERAL INFORMATION

## **ACCREDITATION**

The Mississippi Commission on College Accreditation has granted the Mississippi Baptist Seminary conditional approval to offer degrees under our proposed degree programs, contingent on our pursuit of accreditation by a Commission-recognized accrediting agency. The Commission reviewed our conditional status at their annual meeting in 2024.

## **PURPOSE**

The purpose of the Mississippi Baptist Seminary is to educate and develop Christians for worldwide leadership and service. This purpose embraces the institution's founders' beliefs and values as represented in the goals and objectives delineated in the goals and objectives. The purpose was and is to offer a valuable resource to perpetuate Baptist traditions in ministry for ministerial and laity leaders through teaching and religious nurturing for effective leadership of largely Black and rural minorities.

## **HISTORY**

The Mississippi Baptist Seminary was founded in 1941 by Dr. Herbert L. Lang, who was its first president. While serving as president of Union Baptist Seminary, New Orleans, Louisiana, Dr. Lang discovered that a majority of the students enrolled at Union were from Mississippi. In response, he organized Bible classes and institutes in Tylertown, Magnolia, the Gulf Coastal Region, the South-Central Region, the Delta Region and as far north as Sardis.

So vast was the opportunity and so great was the need that Dr. Lang resigned from the presidency of Union Baptist Seminary to give full-time service to extension work in Mississippi. He had no means of financial support, but trusted God to raise up friends in Mississippi who would support this work.

Professor J. E. Johnson, the founder and President of Prentiss Institute and Junior College, visited Dr. Lang in 1942 and persuaded him to go to Jefferson Davis County to organize a Bible class at Prentiss Institute. The class was begun in the summer of 1943. Interest in the Seminary for the training of ministers was intense. A historic meeting took place in the home of Professor and Mrs. Johnson on December 31, 1943. Attending this meeting were: Reverend E. T. Oatis, Reverend M.L. Gray, Reverend Eddie Barnes, Mr. U. S. Polk, Mr. and Mrs. J. E. Johnson, and Dr. Herbert L. Lang. At this meeting, the Union Theological Seminary was founded. The Seminary was incorporated as the Mississippi Union Theological Seminary and a charter of incorporation was granted by the State on March 15, 1944. On May 30, 1946, the name of the Seminary was changed to the Mississippi Baptist Seminary. Jackson, Mississippi was selected as its permanent location.

On February 9, 1944, another historic meeting took place in the Pastor's study of the First Baptist Church, Indianola, Mississippi. This meeting was called by Dr. D. A. McCall, Secretary of the Mississippi Baptist Convention Board. Attending this meeting were: Mr. John Davis, President of the Mississippi Baptist Convention Board; Dr. J. D. Ray, Chairman of the

Committee on African American Work, Mississippi Baptist Convention Board; Dr. G. Norman Price, Pastor, First Baptist Church; and Dr. Herbert L. Lang, President and Founder of Mississippi Baptist Seminary. Dr. Lang proposed that Mississippi Baptist Seminary would be a cooperative venture of white and African American Baptist Churches and conventions offering in-service training to Negro ministerial and lay leadership, taking them where they were in educational preparation and offering them courses of value on a level of their apprehension and utilization. This proposal was accepted. Thus began a cooperative work in mission which was to bring about reconciliation and understanding.

This cooperative sponsorship of the Seminary continued through December 1988. On January 1, 1989, the Mississippi Baptist Convention terminated its sponsorship and financial support of the Seminary, thus turning control of the Seminary over to National Baptists. On this same date, Dr. Hickman Johnson was elected President of the Mississippi Baptist Seminary. Dr. Johnson served in this capacity for fifteen years, the longest serving president of the Seminary. In 2004, due to the enormous financial burden of the Seminary, it was no longer feasible to remain open.

The General Missionary Baptist State Convention of Mississippi (GMBSC) under the leadership of Dr. Jerry Young, president, purchased and procured The Mississippi Baptist Seminary at its 116th year Annual Session in Jackson, Mississippi. Now under new leadership and name, the seminary's main campus opened temporarily at the Mt. Nebo Missionary Baptist Church, 1245 Tunica Street, Jackson, Mississippi, and classes began October 2005.

The newly appointed interim president was Pastor Carl E. Thomas, Clarksdale, Mississippi, and the interim Dean of Academic Affairs was Reverend Eric Williams, Jackson, Mississippi. In September 2005, Dr. Young challenged the convention to achieve greatness for the glory of God and the good of our communities through its offerings of ministries and missions.

In 2007, the Mississippi Baptist Seminary, Main Campus was completely renovated, and the building was opened for administrative operation and classes in September of 2007. Dr. Isiac Jackson, Jr. was appointed President and Dr. John Patrick was appointed Academic Dean of Students. Under Dr. Jackson's leadership, the Board of Directors, and the administration, the Seminary student population grew. Dr. Jackson was instrumental in the reestablishment of policies and procedures under which the Seminary continues to operate. In 2010, Dr. Jackson was elected President of the General Missionary Baptist State Convention and Dr. Lewis Ragins was appointed President of the Seminary. Dr. Ragins served from 2010 until his death in 2013. Dr. Ragins dedicated himself to the Seminary and often stated that "We are committed to the idea of moving our Seminary and Bible College toward credibility and full accreditation." In 2014, Dr. C. J. Rhodes was appointed president of the Seminary. At the 2020, Spring Session held in Natchez, Mississippi, Reverend Marcus Cheeks was appointed President of the Mississippi Baptist Seminary.

The Seminary's holistic educational philosophy enhances the spiritual, intellectual, and social growth of its students.

### **MISSION STATEMENT**

The Seminary's mission is to provide Christian theological education to persons called to serve the Church in Christian ministry and various professional and social vocations. The Mississippi Baptist Seminary, through its physical and digital extensions, offers theological programs designed to equip persons to carry out its mission. Mississippi Baptist Seminary's educational objectives relate specifically to the institution's vision, purpose, and goals of educating and developing Christians for worldwide leadership and service.

### **STATEMENT OF FAITH AND AFFIRMATION**

In accordance with the tenets of the Baptist Articles of Faith, which offer the biblical foundation for the Mississippi Baptist Seminary's Statement of Faith and Affirmation, we believe and affirm the following:

#### **The Bible**

The unique divine, plenary, verbal inspiration and absolute authority of all sixty-six canonical books of the Old and New Testaments as originally given. The Bible is the only infallible,

authoritative Word of God and is free from error of any sort, in all matters with which it deals, scientific, historical, moral, and theological.

### **The Trinity**

The triune Godhead, one eternal, transcendent, omnipotent, personal God existing in three persons: Father, Son, and Holy Spirit. The Father: God the Father, the first person of the Divine Trinity, is infinite Spirit, sovereign, eternal, and unchangeable in all His attributes. He is worthy of honor, adoration, and obedience.

### **The Son**

The Perfect, sinless humanity and the absolute, full deity of the Lord Jesus Christ, indissolubly united in one divine-human person since His unique incarnation by miraculous conception and virgin birth.

### **The Holy Spirit**

The Holy Spirit is the third person of the Godhead who convicts, regenerates, indwells, seals all believers in Christ, and fills those who yield to Him. The Holy Spirit gives spiritual gifts to all believers; however, the manifestation of any particular gift is not required as evidence of salvation.

### **Historicity**

The full historicity and perspicuity of the biblical record of primeval history, including the literal existence of Adam and Eve as the progenitors of all people, the literal fall and resultant divine curse on the creation, the worldwide cataclysmic deluge, and the origin of nations and languages at the tower of Babel.

### **Redemption**

The substitutionary and redemptive sacrifice of Jesus Christ for the sin of the world, through His literal physical death, burial, and resurrection, followed by His bodily ascension into heaven.

### **Salvation**

Personal salvation from the eternal penalty of sin provided solely by the grace of God on the basis of the atoning death and resurrection of Christ, to be received only through personal faith in His person and work.

### **Last Things**

The future, personal, bodily return of Jesus Christ to the earth to judge and purge sin, to establish His eternal Kingdom, and to consummate and fulfill His purposes in the works of creation and redemption with eternal rewards and punishments.

### **Biblical Creation**

Special creation of the existing space-time universe and all its basic systems and kinds of organisms in the six literal days of the creation week.

## **Satan**

The existence of a personal, malevolent being called Satan who acts as tempter and accuser, for whom the place of eternal punishment was prepared, where all who die outside of Christ shall be confined in conscious torment for eternity.

## FINANCIAL AID

Mississippi Baptist Seminary & Bible College is a division of the General Missionary Baptist State Convention of Mississippi. As a division, it derives its primary support from churches and associations of the conventions. Therefore, student fees constitute only a fraction of the Seminary's income. To make quality education available to all, students pay only a small portion of the entire cost of their education. The balance is borne by gifts received by the Seminary.

## SCHOLARSHIPS

L Spann, Sr. Memorial Scholarship is to provide financial support to deserving young ministers from the State of Mississippi to attend a Theological Seminary. Young Ministers entering a Theological Seminary for the first time will be given first priority. However, all other applicants will receive consideration. The amount of the award is determined annually with regard to the number of qualified applicants and the availability of funds. The Scholarship Award is granted once the recipient has shown matriculation of enrollment. ## Bachelor of Arts in Sociology

The Bachelor of Arts in Sociology is a four-year degree program designed with a liberal arts foundation, framed by an ethical worldview, and integrating the social sciences. Students will explore the causes and consequences of human behavior and develop skills in communication, critical thinking, and analysis through a firm foundation in core courses in sociological theory. With the increasing wealth gap and social disparities facing our nation and world, we aim to develop students who can think critically, imaginatively, and ethically about society and social issues, with a commitment to social justice based on an appreciation of social and intellectual diversity and an awareness of social inequality.

# **ACADEMIC POLICIES & PROCEDURES**

## **STUDENT ACADEMIC SUPPORT SERVICES**

The Mississippi Baptist Seminary sponsors an Academic Advising Program throughout the year for all enrolled and prospective students, facilitated by Seminary staff. Advisement begins with the first contact that students make when they request an application. Other advisement activities follow with registration; scheduled orientation sessions for students at each academic level; and 50-minute counseling appointments with students' personal academic/career counselors. Additional assessments recommended by counselors/advisors depend on students' individual needs and are scheduled as needed at the student's convenience.

The focus areas of academic counseling include class scheduling; personal goal setting and development; arranging for testing to meet admission requirements; Faith-based career planning; and redefining self, following the completion of a degree at the Seminary. All students enrolling with 60 or less hours are encouraged to begin in the Summer to become acclimated to college life and to take English, Mathematics, Computer Literacy, and Seminary Success courses (No more than 15 hours).

Additionally, the Seminary has a remediation program called Academic Development I and II. The Edmentum APEX Learning System is the software used to address the students' deficiencies. APEX is prescriptive and determines the students' level of performance in English, Mathematics, Science, and Social studies and then provides tutorials to improve the student's level of performance (Academic Development I). APEX provides tutorials in College Readiness Test, ACT and GED readiness. Academic Development II is a virtual curriculum hosted by Edmentum that includes career development. It will include academic counseling, class scheduling; personal goal settings and development; arranging for testing to meet admission requirements; and Faith-based career planning. The admission to the Remediation Program will be administered based on the criteria following:

1. Students who apply with an ACT score of 16 can enroll as a freshman with no requirements for remediation. These students may self-select to participate in the Academic Development II remediation program for personal development.
2. Students with scores of 14-16 on the ACT will be required to add Academic Development I course for one semester.
3. Students with scores less than 14 on the ACT will be required to take two classes (Academic Development I and Academic Development II.) These students must retake the ACT or GED to meet admissions requirements.

The APEX Learning System will be used in Academic Support I as the remediation program. The Semester long Academic Support Program will include classroom, individual, career counseling and computer assisted instruction. Those who fail to make an acceptable entry level score following the semester remediation, will not be allowed to enroll in the regular curriculum courses

until the student can meet the required entry level requirements. Students will receive a grade of “PASS”, “FAIL”, or “I” for incomplete. Incompletes must be cleared within one year after dropping out. Students who fail to complete requirements in Academic Development I and II are not eligible to enroll in the regular academic program until the requirement is satisfied.

### **CREDIT HOURS AND CLASS ATTENDANCE**

The Mississippi Baptist Seminary bases its definition of a credit hour on the standard “Carnegie Unit.” A semester unit of credit is equal to a minimum of three hours of work per week for a semester. Carnegie definition is based upon a minimum semester length of 15 weeks. Thus, a “unit” of credit equates to three hours of student work per week (1 hour lecture plus 2 hours of homework or 3 hours of lab) for 15 weeks. For a lecture class, one unit is considered to be one hour of lecture class time and two hours per week of homework. For the typical three-unit class, a student spends three hours per week in class and should do six hours per week of homework.

Academic credit for a course requires regular class attendance. Class attendance means being present in the classroom for the entire scheduled class meeting. The physical presence of a student is crucial in any class meeting regardless of whether the student assignments are completed. The maximum absence allowance is three (3) class sessions in a semester. Once a student reaches the limit of missed classes, the instructor is required to report the student’s absence status to the Office of Academic Affairs for further evaluation, which may result in academic discipline proceedings.

### **GRADING SCALE**

The following grading system of letters is based on percentage grading for completion of graded requirements. Corresponding quality points are assigned as follows.

*Grade point averages are computed by dividing the total hours for which the student is officially enrolled into the total number of quality points earned each semester.*

## **INCOMPLETE GRADES POLICY**

When a student desires extension of time to complete a course, the instructor may submit a grade of Incomplete and forward a justification to the Dean along with the final grade reporting template. The student will be given a period of one semester to submit all incomplete assignments and complete the course requirements. A course completed during this window will receive the final grade as assigned by the instructor; a course not completed during this window will receive a final grade of F unless exception is made to assign a WP or WF.

## **WITHDRAWALS**

Any student desiring to withdraw from study prior to completion of  $\frac{3}{4}$  of the semester must self-withdraw through the student enrollment portal. Resulting grade will be assessed as “W” with no punitive assessment.

Students who have not self-withdrawn but stop attending prior to the start of final exams will be assigned a final grade of “WP” or “WF” by the instructor with no punitive assessment.

Once final exams begin, all students will be graded according to the seminary scale.

## **STUDENT TENURE**

Student tenure is based upon satisfactory completion of course requirements. Any violation of school policy may be considered cause of dismissal. All decisions regarding the application of the rule of tenure are made by faculty with the right of appeal to the Board of Directors of the Seminary.

## **GRADUATION REQUIREMENT**

1. A completion of the required curriculum with a “C” (2.0) average on all work taken.
2. The Seminary must have on file the official transcripts of student showing that he/she holds a high school diploma or its equivalent.
3. The student must clear all financial obligations to the seminary and give assurance that all accounts have been settled.
4. Successful completion of a comprehensive English Bible examination and a comprehensive Baptist Articles of Faith examination are required prior to graduation. Examinations may be repeated until it is passed. A grade of C is considered a passing grade.
5. All pastors and ministers must have completely read an English version of the Holy Bible (Genesis 1:1-Revelation 22:21)

All students expecting to graduate must make formal application for graduation to the Seminary through the registrar at the time of registration for their final semester of academic work.

A degree from Mississippi Baptist Seminary & Bible College indicates that the graduate has completed the requirements for the course of study. Although the M.Div. degree meets the standard educational requirements for ordination in most denominations, the degree does not certify that the graduate necessarily possesses all the biblical qualifications requisite for the ministry or adheres to the Baptist faith. Graduation from the Mississippi Baptist Seminary & Bible College with either the B.Th., B.R.E., A.Div., A.R.E., M.Div., M.A.B.C., or M.A.C.S. degree should not in itself be construed as a recommendation for the ministry. Ecclesiastical bodies and pulpit committees are responsible for applying their own requirements for ordination to determine the doctrinal soundness, suitability, and readiness for ministry of a particular graduate. One should check with the appropriate judicatory. *Although the Bachelor of Theology and Master of Divinity meet the standard educational requirements for ordination for most denominations, the degree does not possess all biblical qualification requisites for the ministry or adherence to the Baptist faith.*

### **REASONABLE ACCOMMODATION POLICY**

As part of its policy of nondiscrimination, and in accordance with Sections 503 and 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, the Mississippi Baptist Seminary will make reasonable accommodation to ensure equal opportunity and access for qualified students to applicable programs, services, activities, and facilities. After acceptance and prior to entering classes, a student with a disability must submit written requests for modifications or auxiliary aids to the Provost's Office. Documentation of disability may be required in order to receive appropriated modifications. Service animals are permitted if the appropriate documentation has been filed. Students with documented disabilities may use marked parking spaces in the visitor parking lot.

The Dean of Academic Affairs is further authorized to expel, dismiss, suspend and place limitations on continued attendance and to levy sanctions for student conduct violations and is responsible for receiving and examining student conduct matters related to the behavior of students, student groups, and/or student organizations. ### **STUDENT GRIEVANCE PROCESS**

A grievance is a formal complaint made by a student arising from an alleged action of the College or any of its faculty members, administrators, staff or students. Such action is one that is claimed to be unauthorized or unjustified and adversely affects the status, rights, or privileges of the student, including actions based on race, color, religion, gender, sexual orientation, ethnicity, age or disability.

Any student who has a complaint shall make a reasonable effort to resolve the matter on an informal basis before initiating a grievance. Student may request a grievance hearing. A grievance hearing committee will be organized and a committee decision will be presented to the Dean of Student Affairs, Dean of Academic Affairs, and Provost.

All student grievances proceeding correspondence will be handled via email or otherwise documented and placed in a secure file. An electronic copy of all correspondence will also be maintained. Copies of this information will be placed in the student’s official school file.

A grievance shall herein be defined as any act allegedly depriving a student of any the rights set forth in the statement of “Student Rights and Responsibility”, or any State Federal, or local codes.

**Informal Action:** The student (or group of students), who believes that an injustice has been done to him/her (them), shall first attempt to resolve the complaint by informal discussion with the employee(s) involved. If the problem is not resolved in Step 1, an informal discussion should take place with the person at the lowest level of authority directly above the person(s) at which the complaint is directed, where authority exists to take corrective action. The Dean of Students Affairs shall attempt to resolve the problem through informal meeting and discussion among the pertinent parties while remaining neutral on all issues involved. This informal meeting and discussion will attempt to involve the levels of administration concerned with the problem and should be completed within ten (10) school days. In the event the informal procedure fails, the formal procedure would be implemented.

**Formal Action:** The grievant may obtain a student grievance form from the office of the Dean of Students. After completion of this form, specifying the time, place, nature of the complaint and remedy or correction requested, it should be submitted to the Student Affairs Dean. This request must be submitted within (5) five school days after the failure of the informal procedure. A day is defined as any day Monday through Friday that all normal college business is conducted.

### **STUDENT CONDUCT PROCEDURES**

Student Conduct procedures may be initiated against a student, student group, and/or organization upon receiving and examining an official incident report and/or valid complaint regarding the behavior of a student, student group, and/or student organization. Any person affiliated with the Mississippi Baptist Seminary community, students, faculty, visitors, guests, and staff may bring complaints of misconduct against a student or group of students.

To initiate a case, allegations must be presented to the Extension Director. After receiving allegations of misconduct, the Extension Director will provide a written incident report to the Dean of Student Affairs who will review the allegations and determine an appropriate individual or group to hear the case or determine whether to pursue an informal resolution process. All allegations should be submitted at the earliest opportunity after an incident occurs. There is no time limit on reporting violations of the Student Code of Conduct, however, the longer someone waits to report an offense, the harder it becomes for Seminary Staff to obtain information and witness statements and to make determinations regarding alleged violations.

As necessary, Seminary Staff reserve the right to initiate a complaint, and initiate conduct proceedings without a formal complaint by the victim of misconduct. Once an incident report is received, the Dean of Student Affairs will determine whether the behavior warrants action. In the event a sufficient cause is determined, the Dean of Student Affairs reserves the right to conduct an administrative hearing or assign the case to a student conduct committee. All Student Affairs Conduct Committee members are trained students, faculty, and staff members. This committee shall hear cases which may result in a student, student group, and/or student organization being admonished, exonerated, receiving a letter of warning, being for counseling, receiving a fine, being placed on probation, losing privileges, being assigned a research assignment or reflection journal, paying restitution, being required to attend workshops/seminars, being suspended or being expelled from the Seminary.

### **Notification Process**

The initial form of communication with a student, student group, and/or student organization named in an incident report will be via phone and/or e-mail. These methods will be used to provide the charges being brought against the student, student organization, or student group and will also outline the requirement of contacting the Dean of Academic Affairs or designee, in order to schedule the hearing.

Hearings may only be scheduled via phone, e-mail, or by the student scheduling in person. In cases where the student schedules a hearing less than 48 hours prior to the hearing, the 48-hour notification process outlined below, becomes null and void. When there are more than five (5) students involved in a case, the Dean of Academic Affairs reserves the right to schedule the hearing date and time for all students involved, without confirmation from the students due to the number of individuals involved. Documentation can be provided to students for missed classes or work responsibilities when such circumstances exist. Failure to report to the Dean of Academic Student Affairs after being properly notified may result in the student, student group, or student organization being charged with “Failure to Comply” and/or “Contempt of Hearing.” In this case, a decision will be made in the student’s absence based on the information outlined in the incident report and any information gathered from the investigation.

### **Student Rights During the Hearing Process**

If the appeal is justified, the student is notified of the time and location to be present. The aggrieved is allowed to have representation, however, the representative is there only in a supportive role and to advise of their Fifth Amendment Rights.

The decision of the President is final.

### **FERPA**

The Family Educational Rights and Privacy Act of 1974 (FERPA) affords students over 18 years of age the right to review, inspect, and challenge the accuracy of information kept in a cumulative file by the Seminary. It also ensures that records cannot be released without the written consent of the student. These are the following exceptions:
